**Thank You for all of your prayers and support
for our Summer Ministry!**

We had another amazing Summer Team! We learned a lot at CYIA training camp. We were blessed to be able to meet Diane Pomroy of CEF of the Middle East and Pennsylvania. We were able to collect money throughout the summer to go toward having CEF literature translated into over 20 languages. Children learn best when they can hear about Jesus in their own language. Please pray for this work to continue and for many children in the Middle East to accept Christ as Savior.

2022 Training Camp Camp Harmony Hooversville, PA

It was a blessing to be able to have CYIA training camp in Somerset County again. Summer Missionaries and CEF staff from all over Pennsylvania traveled to Camp Harmony for training and fun. We held an Open Air event for the children who were attending Day Camp on Wednesday. The children got to have one-on-one counseling with summer missionaries who presented the Gospel to them. They made sand art, played games, enjoyed snow cones, received balloon animals, and participated in that day's 5-Day Club demonstration. There were 102 children who attended and 34 children trusted Christ as Savior! Praise the Lord!

We are very excited to welcome Jennifer Rossi to the CEF Fayette-Somerset team! Jennifer was hired as the Fayette Ministry Coordinator in June and she will be working on getting Good News Clubs started up again in the Fayette elementary schools. Please pray for her as she reaches out to the schools and volunteers.

Here is a little about Jen: "My family and I live in Uniontown, Pa. My children got involved with the Good News Clubs in their elementary schools, which led my husband and I to become involved as well. I am excited to now be a part of the CEF family in the Fayette-Somerset office. I am eager to share the love of Christ with the children in my community. My vocational background is in teaching. I taught high school math for 9 years and have many years of experience volunteering with my church's children's ministries. My family and I love to spend time outdoors and playing games. "
